

Healthier soil, Healthier plants...

[www.earthlife.com.au](http://www.earthlife.com.au) *it is that simple*

## Growing Bromeliads

**Garden Delight** adds natural nutrition through humates and minerals stimulating root growth, leaf growth while enhancing colours and helping to fortify against root rots.

**Ideal for both sun and shade loving Bromeliads**

### Best Practice

**Generous handfuls of Garden Delight** thrown directly over and around the plants every 3-4 months. Water in.
