<b>Wisefarmers Farm Supplies</b>	<b>Toowoomba</b>	-	<b>Gatton</b>
untreated	treated	Bud Burst	
34 bales b/ac	78 bales b/ac		
<b>Increase 44 b/ac</b>	<b>129% increase</b>		

<b>Wisefarmers Farm Supplies</b>	<b>Toowoomba</b>	-	<b>Gowrie Junction</b>
untreated	treated	Bud Burst	
36 bales	72 bales		
<b>Increase 36 b/ac</b>	<b>100% increase</b>		

“I have been growing Lucerne for many years and have used various fertilisers with little or no result. Since using Earthlife Minerals and Bud Burst, I have noticed quite an improvement in my crop and soil. The soil is a lot looser (softer) and easier to work, the Lucerne is healthier, much better quality and has far less bug damage. Everything seems much better from having used Earthlife Minerals and Bud Burst”. **Peter McKenzie, Toowoomba**
